# THE ASHE HOTEL

Happy ever after starts here

Congratulations to you both on your engagement.

Thank you most sincerely for considering The Ashe Hotel as a venue for your special day.

The Ashe Hotel is a new addition to Tralee and in a short time has gained a reputation for offering genuine hospitality, wonderful food and impeccable service. Situated in Maine Street in the town Centre, we are only a moment's walk to the Rose Gardens and all the many attractions and amenities the town has to offer. Our aim is to provide an intimate and warm hotel which captures a seamless blend of the contemporary and the traditional.

At The Ashe we pride ourselves on our ability to be dedicated and flexible and our experienced team will be on hand right from enquiry, on the run up to your day and on the day itself. We like to tailor every wedding to your distinct wishes with particular emphasis on table and room décor and in providing excellent cuisine. Every detail of your wedding will be considered and it is our intention that every expectation will be exceeded.

We are also delighted to be a fully licensed venue for Civil Ceremonies and our intimate ballroom provides the perfect setting to take your vows.

Our décor has been described as having an 'understated elegance' and our reception lobby provides the perfect setting for a drinks reception. It's a short transition to our intimate mood lit ballroom. Here you will delight in a sumptuous banquet. At the end of your remarkable day, retire to your luxurious suite. And the following morning relive the magical moments over a bubbly breakfast.

We sincerely hope to have the opportunity of hosting your special day at The Ashe. It is our intention that you can relax and enjoy your wedding in the knowledge that our team will be on hand offering you and your guests a highly personalised level of attention to ensure the most memorable day possible.

Please do not hesitate to contact us to discuss your requirements in detail and we would be delighted to show you our wonderful facility.
